***Dear Parents, Teachers, Friends and
Community Supporters,***

Welcome to MCCPS's 2011 auction, "*The Art of Giving. Arts. Athletics. Aesthetics*". It is a great pleasure to have you here this evening at this incredible community gathering that supports our school.

We are very grateful for the efforts and donations of our parent body, faculty and donors whose hard work and generosity have made this event possible.

Please be sure to thank the businesses that have donated items and services the next time you visit their places of business.

This auction directly benefits our children, and all funds raised this evening will help provide our school with the resources necessary to ensure that our children receive the high-quality education for which MCCPS is known.

We hope you have a great time tonight, but remember where the money goes! So bid high and bid often, because it is our children who win.

Enjoy and have a great night!

With your Hawaiian shirt-wearing neighbors milling around your deck during a Saturday afternoon barbecue, you toss chicken on your barbecue's hot grill, slather them with some of that tangy barbecue sauce and yank them off 15 minutes later. You say you are barbecuing, but you would be wrong. You were grilling. To barbecue is to suspend meat over long-smoldering coals that broadcast smoke from hardwoods like hickory or cherry. To barbecue is to – in most cases- invest at least an hour on your masterpiece, and sometimes 12 hours or more. Ten couples will have the opportunity to spend the afternoon, evening and perhaps even the wee hours of the morning at the Szottfried home to feast on a BBQ like you've never had before! Pitmaster Phil will work his magic at the coals while Kim whips up some decadent desserts.

The party will be held on June 16, 2012 (rain date is June 23) and is open to the first 10 couples who sign up.
